Arya Enterprise was established in 2021, and a proud constituent of the **Parth Group**, which operates through various specialized verticals: **Arya Enterprise** (Spices), **CD Enterprise** (Oil Seeds & Castor), **Dev Enterprise** (Grain Products) and **Shivalaya Developers** (Real Estate)

Promoters of the **Arya Enterprise** were working in the field of whole spices for the more than 20 years as a trader of spices. Later in the year of 2023, Arya Enterprise launches a Brand “**Shridev Spices**” which, emphasize purity, freshness, and a commitment to quality to build sustainable trust. We are dedicated to bringing the authentic essence of Indian fields directly to your kitchen through our premier brand, **Shridev Spices.**”

Our Quality Commitment: At, **Shridev Spices**, we believe that the soul of every meal lies in its purity. our operations are built on a foundation of rigorous quality standards and a passion for unadulterated spices.

Our Sourcing Story:

Located in the hub of the spice trade at Unjha, **Arya Enterprise** specializes in sourcing the finest whole seeds, ensuring that every pack of **Shridev Spices** delivers maximum aroma and 100 % Natural flavour.

From the Heartland of Spices: "At Arya Enterprise, we bypass the traditional middlemen to source our whole seeds directly from the dedicated farmers of Rajasthan, Kutch, and North Gujarat—regions world-renowned for producing India's finest whole spices”.

Freshness Redefined: "By working hand-in-hand with local growers, **Shridev Spices** ensures that every seed is harvested at its peak and brought to you with its natural essential oils and aroma fully intact”.

Quality You Can Trust: "Our direct farm-to-brand model allows us to maintain complete traceability, ensuring that the purity of our spices is never compromised between the field and your kitchen”.

The Social Impact & Farmer Welfare

Empowering Rural Communities: "We believe in growth that includes everyone. Bysourcing directly, we ensure that a fair and greater share of the value reaches the hardworking farmers, directly improving the social and economic livelihoods of rural families in 2026".

Supporting Sustainable Livelihoods: "Our partnerships provide farmers with stable market access and fair pricing, empowering them to reinvest in their land, their children's education, and the future of their communities".

A Commitment to Purity & People: "When you choose **Shridev Spices**, you aren't just buying premium spices; you are supporting a sustainable ecosystem that honours the traditional knowledge of Indian farmers and fosters their social well-being".

Key Stat: "By cutting out the middlemen, we help increase local farmer incomes by providing direct market access".

Health & Safety Focus

Chemical-Free Promise: "We avoid the risks of sophisticated adulteration found in mass-produced powders, providing you with a safer, healthier alternative that is free from synthetic colours and harmful contaminants."

Total Transparency: "In an era where food safety is paramount, **Shridev Spices** offers you the peace of mind that comes with transparent, whole-form spices—unadulterated, uncompromised, and 100% natural."

Core Brand Values

Purity First: No artificial colours, preservatives, or additives—just the raw, natural power of whole seeds.

Hygienic Processing: Utilizing state-of-the-art cleaning and storing technology to ensure export-quality standards for every customer.

Customer Centricity: Building long-term relationships through consistent quality and reliable service from day one.

PRODUCTS WE OFFERING

Our Premium Whole Spice Collection

Discover the difference of genuine quality with **Shridev Spices** staple products.

Cumin Seeds (जुआ)

- **Description & Health Benefits :**

Known for their warm, earthy flavour. Key for digestion, metabolism boost, and iron intake. Acts as an anti-inflammatory agent.

- **Usage :**

Essential for tempering (tadka) in dal/curries, making detox water, or grinding into powder.

Fennel Seeds (फरीयाणी)

- **Description & Health Benefits :**

A naturally sweet, aromatic seed. Excellent for soothing gas/bloating, acts as a potent breath freshener, and aids weight management.

- **Usage :**

Chewed raw after meals, steeped in tea, or used in pickling and bakery.

Sesame Seeds (तिल)

- **Description & Health Benefits :**

The "Queen of Oilseeds." Packed with calcium for bones, healthy fats for heart health, and hormone-balancing lignans.

- **Usage :**

Sprinkled on salads, used in laddoos, or ground into tahini.

PRODUCTS WE OFFERING

Our Premium Whole Spice Collection

Discover the difference of genuine quality with **Shridev Spices** staple products.

Fenugreek (મેથી)

- **Description & Health Benefits :**

Bitter in taste, better for life. Manages blood sugar, aids digestion, and acts as a natural galactagogue (milk stimulant) for mothers.

- **Usage :**
